Dear Parent/ Guardian

The Edusave Character Award (ECHA) recognises Yuhualites who demonstrate exemplary character and outstanding personal qualities through their behaviour and actions. The award supports the school's continuing efforts in nurturing our pupils to be a person of good values and character, who are active contributors and concerned citizens.

To be considered for ECHA, pupils must satisfy the following eligibility criteria:

- (a) Pupils must be Singaporeans; and
- (b) Pupils must, on a consistent basis, demonstrate good character and values. In particular, pupils may be identified for demonstrating the following types of qualities:
 - (i) Consistently displaying the school values and/or character traits of Respect, Responsibility, Resilience, Integrity, Care and Harmony; and/or
 - (ii) A high level of civic responsibility. These would be pupils who are concerned about issues in the community or issues faced by others, initiating action to address these issues to improve the lives of others, and being committed to make a positive difference ; and/or
 - (iii) Qualities associated with resilience. These would be pupils who have persevered despite facing difficult circumstances (e.g. financial problems, family issues, health issues etc.), and managed to overcome the odds and still do commendably well in academic and non-academic domains.

The school accepts nominations for ECHA from teachers, pupils, non-teaching staff as well as parents. All nominations will be put through a rigorous selection process which involves levels of shortlisting panels and an endorsement panel comprising of representatives from the various key stakeholders.
