Primary 1

Our P1 programme focuses on mark making and introducing pupils to the new medium; oil pastels.

We also provide the foundation for pupils to understand art as a way of learning about themselves and the world around them.

Our curriculum aims to enable pupils to enjoy art, communicate visually and make meanings through connecting with society and culture.

Our art lessons are conducted once a week over 2 periods during school terms.

MUSIC Curriculum

Level	Focus
P1	Orff instruments (xylophones, claves, castanets etc.)
P2	
P3	Recorder and keyboard
P4	Recorder and ukulele
P5	Song arrangements
P6	GarageBand (music composition on IT)

Primary 1

Our P1 programme focuses on a lot of singing, movement, simple orff instruments like xylophones, tone bars etc. Many would think that P1s will not be able to compose but with proper scaffolding and guidance it is achievable.

Music Garden Lessons

The music garden is an outdoor experiential learning space. Pupils are able to enhance the learning of music through self-exploration. The unique instruments provide opportunities for pupils to create their own music composition.
