25 June 2021

Dear Parents/Guardians,

We hope you and your family have had a restful June holiday. In preparation for school re-opening, we would like to share with you more information as our pupils return progressively to school in Term 3.

Resumption of School in Term 3

As announced, pupils will ease into full resumption of physical schooling based on the following schedule:

Term 3 Week 1	Term 3 Week 2
From Monday (28 June 2021)	From Tuesday (6 July 2021)*
P4, P5, P6	P1, P2, P3

*5 July (Mon) is a school holiday (Youth Day).

School Re-opening for P4 – P6 Pupils

All P4 to P6 pupils will report to school on 28 June. After-school curricular-related programmes for P4 - P6 pupils will also resume on 28 June. Pupils who are involved in these after-school programmes are:

- All P4 pupils selected for SDR and RRP lessons;
- All P5 pupils taking HMTL and FMA subjects;
- All Primary 6 pupils

Consent forms for the above activities have been issued by the respective Teachers in-charge via ParentsGateway (PG).

Home-based Learning for P1– P3 Pupils

All P1 – P3 pupils will be on Home Based Learning (HBL) until physical schooling resumes on 6 July. During this period of HBL, the school will provide instructions and support for your child/ward to access a range of resources so that learning can still continue. The HBL Timetable and daily plans for your child/ward will be published on the school website, at <https://yuhuapri.moe.edu.sg/> from 28 June onwards. These plans will also be sent to you via PG.

Pupils are to access the Singapore Learning Space (SLS) to complete their online lessons and assignments at their own pace. It is recommended that pupils carry out their online lessons based on the HBL Timetable to avoid high internet traffic and congestion.

You may wish to contact the following helpdesk if your child/ward requires any technical

Safe Management Measures (SMM) and Social Responsibility

The school will continue to implement SMM such as safe distancing, wipe-down routines, staggered dismissal and recess time to ensure that the school is safe for pupils to return. Daily temperature-taking with additional visual screening will continue to be carried out for all pupils and staff.

We seek your cooperation to take your child/ward to consult the doctor promptly if he/she is feeling unwell and has flu-like symptoms (e.g. sore throat, fever, cough, loss of smell). Your child/ward should not come to school during the period of his/her medical leave.

We also seek your understanding that there is a need to tighten SMM and implement effective ringfencing mechanisms in school to ensure the safety and health of all the pupils in school. Pupils will be placed under Approved Absence (AA) under the following circumstances:

- If there are any household members (**6 years and above**) who are unwell with flu-like symptoms. Pupils will be placed on AA and be required to stay at home until the unwell household member's COVID-19 test result (ART or PCR) is reported to be negative.
- If the pupil or their household members have to undergo mandatory testing due to a COVID-19 cluster. The pupil will be placed on AA and required to stay at home until the individual's COVID-19 test result (ART or PCR) is reported to be negative.
- Pupils who have been on medical leave due to flu-like symptoms and are unable to produce evidence of a negative COVID-19 test result (ART or PCR) by the end of their medical leave. They will be placed on AA for a further 5 days after the date of expiry of their medical certificate (MC).

Pupils are strongly encouraged to wear a mask with higher filtration for better protection. Kindly remind your child/ward to wear his/her mask at all times, except when he/she is eating or drinking; to bring their TraceTogether Token and Oral Digital thermometer (ODT) **daily** as well as pack a bottle of hand-sanitizer and an extra mask in his/her bag should he/she need to replace his/her mask.

Co-Curricular Activities (CCA) and Co-Curriculum Matters

In line with the national posture on the evolving COVID-19 situation, in-person CCA will resume only from 26 July onwards. More information will be given to your child/ward prior to the commencement of CCA in school.

Learning journeys and the SwimSafer programme will also be suspended.

The school will continue to enforce staggered recess and dismissal time to ensure the safety of our pupils. Kindly take note of the new recess timings for the P4 and P6 levels.
