 - Tamil Language

Revised Mother Tongue Language Curriculum

Chinese Language Curriculum

Malay Language Curriculum

Tamil Language Curriculum

- Emphasis on listening, speaking, reading and writing.
- Emphasis on interaction skills.
- Teaching tailored to meet the different learning needs of students.
- More engaging and appealing teaching materials that capture students' interest.

- Modular approach where all students will take the Core Module; Students who require more support can take Bridging/ Reinforcement Modules; students with interest and ability to go further can take Enrichment Modules.

- Students will have the opportunity to progress to different levels of achievement in their learning.

- Students will have the opportunity to progress to different levels of achievement in their learning. They will also be given more opportunities to practice Spoken Tamil.

Our P1 MT Programme

- **Reading Programme**

Inter-Class Competitions

‘Learn Languages for Life’ TOGETHER!

- Read a MT language story book with your child weekly.
- Watch MT educational programmes or cartoons with your child weekly.
- Listen to the radio or news in your MT language with your child for 5-10 minutes daily.
- Encourage them to speak in their MT language in their daily life.
- Explore your MT culture and roots together with your child during the weekends or school holidays.
- Point out interesting flyers, notices, sign boards or things around you in your MT languages to let your child experience learning MT as a ‘living language’.

‘Watch the news’ TOGETHER!
